NOTES

FINAL APPROVAL

APPROVED BY: ,- DATE APPROVED:

This product has been tested by North Coast Testing Laboratories of Michigan, LLC (North Coast). North Coast makes no claims as to the efficacy, safety, or other risks associated with any detected or non-detected levels of any analyte reported herein. "ND" indicates that the analyte was not detected to be present in the sample tested at levels at or above the limit of quantitation. Values reported relate only to the product tested. Samples not collected by North Coast are analyzed as they were received. This Certificate shall not be reproduced, except in full, without the written consent of North Coast.

^{*}Permethrins is measured as cumulative residue of cis- and trans-permethrin isomers
**Pyrethrins is measured as the cumulative residues of pyrethrin 1, cinerin 1 and jasmolin 1
